

My name is Svetlana. I am from Russia, and have studied at AICOL for 6 months. I have just finished my study there, and achieved a Level 7 in my IELTS test.

My teacher Janice has been amazing, and her enthusiasm and real interest in my study helped me to achieve my high score in IELTS. Viviana the Director of Studies was always helpful with her academic advice, ~~strict~~ but kind.

*wonderful and fantastic*

Jan and Garth, the principals, were always available whenever I needed to discuss anything with them, and were really interested in what I was doing, and actually helped find me some work.

AICOL is a very friendly and personal school. It is perfect for any student who wants personal care and attention. I can recommend it to anyone who is serious about English language study.

The AICOL staff are very friendly and kind. They organized my homestay for me and looked after me every day to make sure that everything was okay.

AICOL feels like a family to me, and I was very sad to leave. But I will stay in touch with all my friends there, and visit them whenever I can.
