

Dear all staff at Aicol,

The class of Aicol is over at last for Sera by today. Sera was able to go to there happily for all staff of Aicol. For Sera,it was the days when there were many first things. You all helped her. Therefore she was able to go at Aicol until today.

When her enrolment of hillcrest , you helped it. From a new school term , Sera will study hard,too.What she studied at Aicol surely becomes her confidence.I think like that. I thank you with Sera.

I pray for the bright prospects and health for all staff of Aicol.

Thank you very much.

With Kind Regards,
